The Capistrano Unified School District (CUSD) is committed to providing a safe and orderly setting in which students enjoy a positive academic and social environment. Students who comply with basic discipline guidelines and work diligently on academics will reap a variety of rewards.

With your student, please review the CUSD School Policies regarding:

- Attendance/Tardy
- Academic Integrity
- Bully-Free environment
- Dress Code
- Student Interventions Matrix

**ATTENDANCE/TARDY**

**Attendance**
As parents, you have the responsibility to make school a #1 priority for your child. An average absence rate of more than one day per month is considered excessive. By making sure your child is in school every day, you ensure his or her opportunity to learn. Research indicates that when parents actively participate in their child's education, the quality of learning improves. Such participation also improves student test scores and creates an atmosphere that enhances student success.

Regular attendance at school is critical to the success of all students. Please call or email the school to report your child’s absence and provide the following information:

- The date(s) of the absence
- The person calling
- Your child’s full name
- The reason for the absence

If you do not call in or email regarding your child’s absence, your child must have a note with your signature indicating the above information for the day(s) he/she was absent from school. If you do not contact the office by 10:00 a.m. on the day of the absence, an automated calling and/or e-mail system will contact you regarding your child’s absence.

**Excused Absences** may include: illness, medical or dental appointments, death or serious illness in immediate family, religious holidays, quarantine, or immunization exclusion. If your child will be out of school for five school days or more, you can request an Independent Study Contract.

When a student has had 14 absences in the school year for illness, any further absence for illness shall be verified by a physician.

**When to keep your SICK child at home**
We are experiencing an increasing amount of absences due to flu-like and cold symptoms. Please
encourage your children to wash their hands as much as possible. Our health policies require that children with a fever need to be fever-free for at least 24 hours before returning to school.

**Please keep your children home if they have these symptoms:**
- Fever of 99.6 degrees or higher; children must be fever free for 24 hours before returning to school.
- Vomiting, diarrhea, or severe abdominal pain.
- A cold, sore throat or persistent cough.
- Nasal congestion or runny nose not associated with allergies.
- Any open sores or open wounds.
- Any undiagnosed rash.
- Red or swollen eyes. (i.e. pink eye, conjunctivitis)

Please refer to the following link for all other Health-related concerns and questions: http://safety-capousd-ca.schoolloop.com/cms/page_view?d=x&piid=&vpid=1282484937357

**Truants/Unexcused Absences:** If a student is more than 30 minutes late, the student is truant. Also, those students who stay home without permission from a parent/guardian, or have an absence that remains unexcused after 72 hours, will be recorded as truant.

**Unexcused absences include all absences or truancies** which may include but are not limited to: traffic, vacations, shopping, staying home to visit with friends or family, transportation breakdown, working, missing the bus, negligence, truancy, too tired, etc.

A total of three days of unexcused absences or truancies can trigger the **School Attendance Review Board** (SARB) process. Parents will be sent a letter notifying them that their child is habitually absent/ truant. Additional unexcused absences/truancies will prompt a mandatory meeting with the District Attorney’s office and potential prosecution.

**Tardy-Late to School:** A student is tardy when he/she is not in a seat in class or in line when the second bell rings to begin class. Once roll is taken, any student who arrives late to school must check in to the attendance office to get a pass to enter class. Students who arrive to class late create a disruption, regardless of the reason, and will be marked tardy. After 15 minutes tardy, parents must escort their child into the office to sign them in. California State law excuses tardies for illness and medical appointments; unfortunately, we are unable to excuse tardies for traffic, rain, car difficulties, or any other circumstance not listed under “Excused.” *A tardy is recorded as truancy if a student is more than 30 minutes late to class.*

**Arrival to / Departure from School**

Students may use bicycles, razors or skateboards to come to or leave school, under the following conditions:

1. Bicycles, razors, and skate boards may be ridden to and from school by 3rd through 5th grade students only.
2. Walk your bicycles, razors or skate boards at all times on campus sidewalks and blacktops.

Revised: June 6, 2018
3. Keep your bicycle, razor, or skateboards locked in the designated lock up area.
4. Helmets are mandatory when riding your bicycles, razors, or skateboards.
5. The school is not responsible for any damage or theft.

Dismissal for Medical, Dental, or Personal Appointments: A parent or guardian must come in to the office to sign the student out before he/she may leave campus. You may be asked for photo ID. Your child may not leave campus in the custody of anyone other than a parent or guardian or person authorized on the emergency card. This is for your child’s protection.

Protecting Precious Instructional Time Policy: The more time students are focused, engaged and on-topic means more time learning and growing. To ensure that all students receive quality, uninterrupted instructional time, school staff will not interrupt class time. If parents deliver an item such as lunch money, homework, or instruments, the items should be left at the front counter and it will then be delivered by student council members during recess. Students may also stop by the office to pick up the item at recess or lunch.

Elementary school is designed to nurture students, yet give them logical consequences that improve academic behaviors and teach responsibility. The good work and study habits that your child develops now will prove to be invaluable in future academic endeavors and beyond. In an effort to minimize disruptions in the classroom, we ask that students arrive on time and that early checkouts be reserved for emergency situations only. Please plan to make all doctor appointments, etc. after school hours. It is imperative that other students’ instruction is not interrupted by tardies and early checkouts. Early pick-ups are very disruptive, are a chronic problem, and are recorded in the student’s permanent record.

Illness at School: If your child becomes ill at school, he/she is to request permission from his or her teacher to report to the office. If the child is too ill to continue his/her day at school, the health office will call the parent or guardian to pick up the child. UNDER NO CIRCUMSTANCES is a child to call his/her parents/guardians to pick him/her up and leave the premises without the school personnel being notified. A student must be fever free, no rash, no vomiting/diarrhea for 24 hours.

Independent Study Contract (ISC): Students who will be away from school for five or more days, other than illness, may be able to receive class work and remain up-to-date. To request an ISC, please notify the office AT LEAST TEN SCHOOL DAYS PRIOR TO THE FIRST DAY OF ABSENCE so that the request can be reviewed, and if approved, class assignments may be organized. This process helps students to keep up with school work, but there is no substitute for teacher instruction and class interaction. Please schedule vacations appropriately. Board Policy 6158(a).

ACADEMIC INTEGRITY

Ethics is defined as moral principles or practice. CUSD students, teachers, administrators and parents are encouraged to base relationships on a fundamental notion of trust. With trust comes the ability to establish productive staff-student-parent relationships. Therefore, academic dishonesty (“cheating”), in any form (including students working together in pairs or groups unless
specifically directed to do so by the teacher), will not be tolerated. Cheating undermines the academic process, destroys students’ integrity, and shatters the trust necessary for productive relationships.

**Cheating may include but is not limited to the following:**

- Copying another student’s homework
- Copying another student’s answers on a test
- Using an unauthorized prompt sheet
- Using unauthorized technology (including a calculator) during a test or quiz
- Making homework available to another student so they may copy the answers
- Plagiarizing another author’s work
- Cutting and pasting passages from the Internet into an assignment without notation for the author
- Forged notes (student signing his or her parents’ name)

**Capistrano Unified School District strives to be Bully Free!**

CUSD schools proactively construct and maintain a social atmosphere which addresses all forms of student conflict and bullying through:

- Creating a positive school culture.
- A beginning-of-the-year school-wide assembly which outlines behavioral expectations including bullying prevention
- Second step program and instruction that addresses the social and emotional needs of students.
- Ongoing, school-wide student and staff educational opportunities.

**Definition of Bullying—Board Policy 5141(d):**

Bullying shall mean unwelcome, pervasive, and/or severe verbal, written, or physical conduct, through any means (including social media, texting, etc.) which is directed at a student or staff member by a student or staff member that has the effect of any or all of the following:

- Creating an intimidating and/or hostile environment that substantially interferes with a student’s educational opportunities, or the ability of a staff member to perform his or her duties;
- Damaging, extorting, or taking a student or a staff member’s personal property;
- Placing a student or staff member in reasonable fear of physical, emotional, or mental harm;
- Placing a student or staff member in reasonable fear of damage to, or loss of, personal property.

Elementary School Policies and Procedures

What students should do if bullied:

- Talk to parents or trusted adults. They can help stop the bullying
- Talk to teacher, school counselor, or principal. Telling is not tattling
- Don’t fight back. Don’t try to bully those who bully you
- Try not to show anger or fear. Students who bully like to see that they can upset you. Calmly tell the student to stop...or say nothing and then walk away
- Limit the interaction
- Limit your message to five (5) words or less. Example: “Leave me alone.”
- “Three Strikes you’re out” rule. Repeat your five (5) words or less three times then walk away
- Try to avoid situations in which bullying is likely to happen

How to Report Bullying?

Students can report any incidents of bullying or harassment which may include:

- Incident Report Form in the office
- Online Bully Form or “Bully Box”
- Speak to or email a staff member
- Referral from staff member or bystander who witnessed event

The Principal will investigate the incident.

- Ensure all parties are familiar with Board Policy 5141(d) as it relates to bullying
- Follow up with concerned party and discuss results of investigation
- Family Educational Rights Privacy Act (FERPA) prevents staff from discussing any disciplinary consequences of another student

Consequences for Bullying may include, but are not limited to:

- Situation logged in discipline file and a student’s permanent school record
- Bullying complaint report completed
- Situation logged in Bully Log filed both at school and at the District office
- Counseling
- Conflict Mediation
- Detention, Suspension, Involuntary Transfer, Expulsion
- Behavior Contract
- Notify School Resource Officer

STUDENT DRESS AND GROOMING STANDARDS

The primary purpose for student dress and grooming standards is to foster an educational environment that is both safe and free from disruption in order to reflect an appropriate tone for school. Clothes appropriate for weekend wear may not also be appropriate for school. The following standards set forth for the elementary school dress code are designed to be consistent and fair. Thank you for your cooperation in setting an academic environment for the students.

Students are not to wear any attire or grooming disruptive or unsafe to the educational environment which may include, but is not limited to:

- Any suggestive clothing that compromises modesty.
- No sleepwear or slippers.
- Any item that obscures the face (except as a religious observation).
- Bare feet, sandals, flip flops or any other unstable shoe.
- Clothing which allows underwear to be exposed (baggy pants/shirts/blouses). Pants and shorts are to be size appropriate.
- Clothing, apparel or accessories which are a distraction to the educational environment, considered unsafe or a health hazard.
- Contains offensive or obscene symbols, signs, slogans, profanity, or words degrading any gender, cultural, religious, or ethnic values.
- Contains language or symbols oriented toward violence, hate speech, drugs, alcohol, or tobacco.
- Gang related items are subject to change as directed by the Orange County Sheriff's Department. The District will apprise schools of current gang clothing trends.

In order to protect the general student body and maintain the integrity of the educational environment, the school/administration reserves the right to amend/modify Dress and Grooming Standards, without notice, and as necessary to maintain a safe and positive school atmosphere. In the event of an infringement of the dress code, parents will be contacted to bring appropriate clothing.

SCHOOL-WIDE STUDENT INTERVENTION PLAN

Our goal is to help each student become a positive and responsible citizen. We know that the majority of students will work toward this goal by respecting the rights of others, respecting personal and school property, and by practicing acceptable behavior. The following rules and regulations are in effect on or near school grounds, off campus during school hours, at school-sponsored functions, bus stops, and while on the way to or from school or school activities. Unless otherwise noted, the discipline consequences apply for the entire current school year.

Interventions are intended to review the major infractions and usual consequences; however, CUSD recognizes that some actions not listed below may cause a disruption to the instructional process and/or environment. In those cases, the school administration reserves the right to take disciplinary action at their discretion.

Revised: June 6, 2018
All administrative decisions regarding student behavior and resulting consequence(s) are administered within strict adherence to California State Education Code and CUSD Board Policy.

CUSD is not responsible for damaged, lost, or stolen items that a student has brought from home. Administration and staff will investigate incidents involving these items at their discretion. Parents may be asked to personally retrieve confiscated items.

INTERVENTIONS AND CONSEQUENCES

**Progressive Discipline Interventions**

CUSD follows a system that includes positive interventions and progressive discipline where the severity of the consequence depends on the severity of the behavior and/or the pattern of behaviors a student exhibits. All interventions are at the discretion of the school administration and take into account individual student needs and the circumstances of each incident.

**Interventions:**

- **Warning:** Give a verbal warning and restate expectations/roles
- **Positive Reinforcements:** Incentives both verbal and tangible achieving and exceeding school-wide expectations.
- **Classroom Interventions:** Teachers will assign the consequence in accordance to their classroom discipline plan and may include seat change, loss of privilege, behavior reflection.
- **Counseling:** Meeting with the school-site counselor, referral to community resources, conflict mediation, etc.
- **Parent Conference:** Meeting with parents, teachers, students and other appropriate personnel wherein the team discusses student challenges and possible interventions.
- **Student Success Team:** A meeting with parents, teachers, students and other appropriate personnel to create a plan for intervention strategies and supports for student success both behaviorally and academically.
- **Campus Clean-up:** Students will participate in campus beautification.
- **Referral:** The student’s behavior is reviewed by an administrator. The administrator determines the appropriate intervention based on the student’s progressive discipline status.
- **Detention:** Detentions may take place during the school day.

Elementary School Policies and Procedures

Class Suspension: Students will be removed from class for the period indicated and supervised on campus.

Behavior Contract: If a student’s behavior pattern continues, administration will place student on a Behavior Contract appropriate to address the student’s behavior.

Suspension: Student is excluded from school and school activities for the duration of the suspension.

Involuntary Transfer: Revoke School of Choice and/or Inter-District Transfer.

Expulsion: A recommendation that the student is removed from CUSD.

Mandatory Administrative Action

The Board of Trustees and the Superintendent of the CUSD have adopted a position that maintains that our schools will not tolerate weapons, drugs, or behavior that threatens the safety of another person. The offenses listed below require mandatory action by the school administration:

- Possession of firearm, when the principal or superintendent and the Board confirm the pupil was in knowing possession of the firearm, and an employee of the District verified such possession; or
- Brandishing a knife at another person; or
- Selling or furnishing a controlled substance; or
- Committing or attempting to commit a sexual assault or committing sexual battery; or
- Possessing an explosive

The mandatory action for a first time offense of any of the above is: immediate five-day suspension, notification of law enforcement, and recommendation for District expulsion. While a District expulsion hearing is pending, a student’s suspension will be extended.

Please Note:

- The school practices a policy of progressive discipline where consequences increase as a result of repeated patterns of behavior or with increasing severity of behavior.
- The school official executing the discipline policies and procedures exercises the right to adapt his/her decision to meet the fair and appropriate consequence that fits each individual situation.
- The school initiates Behavior Contracts when a pattern of disruptive behavior has been established.
- School officials may search individual students and their property when there is a reasonable suspicion that the search will uncover evidence that the student is violating the law or the rules of the District or the school. Board Policy 5154(a).
- During investigations, students will be questioned and may be requested to write a “Statement

Revised: June 6, 2018
of Facts”. If these statements are used in an expulsion case, parents may utilize an Anonymous Witness Statement form. If law enforcement is involved in an investigation, the school will attempt to contact parent.

- Law enforcement officers have the right to interview students on school premises. If the officer needs to interview the student immediately, the principal or designee shall accommodate the questioning in a way that causes the least possible disruption to the school process and gives the student appropriate privacy. Board Policy 5153 (a).

- Family Educational Rights Privacy Act (FERPA) prevents staff from discussing any disciplinary consequences of another student.

**EDUCATION CODE §48900 and §48915**
During the suspension, the student is expected to remain at home under adult supervision and may not attend school activities or be on the school campus. The teacher may require the student to complete any assignments and tests missed during the period of suspension.
